# Alumni Feedback Analysis

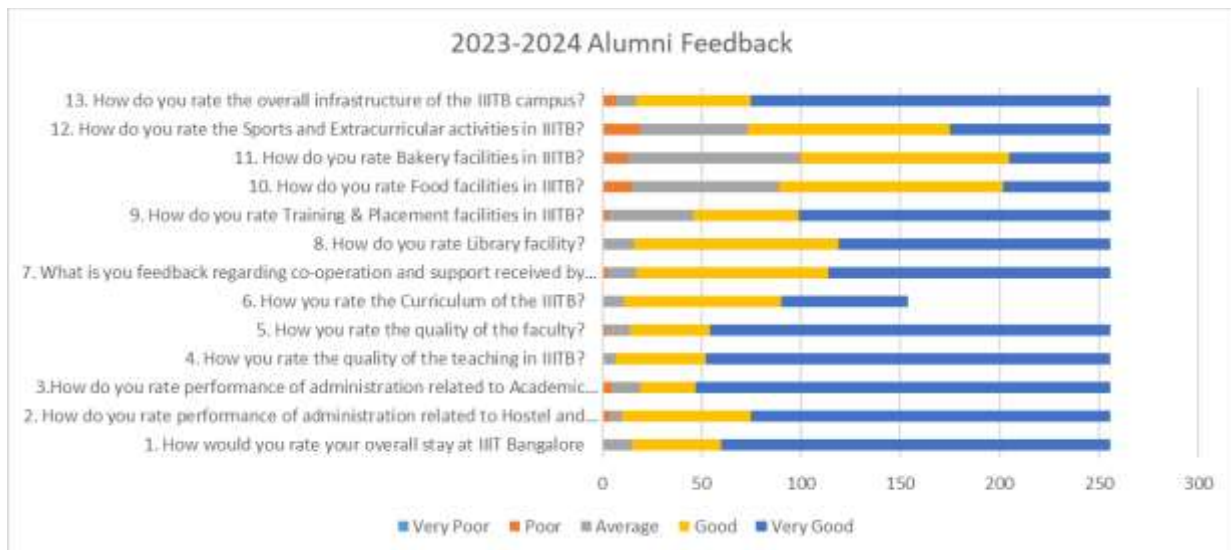

For the period 2023-24

Submitted to NAAC

## Introduction

IIIT Bangalore's top-most priority is the welfare and academic excellence of its students. In order to ensure that the administration is fully aware of the ground situation regarding the students, IIITB has designed a unique 360-degree approach to conducting analyzing all feedback received

## Analysis

The students have generally given the rating of GOOD or VERY GOOD rating on most of the questions. Some of the key observations from the feedback are:

The top-3 VERY GOOD rating was given to the following questions:

- Question 1. How would you rate your overall stay at IIIT Bangalore
- Question 5. How do you rate the quality of the faculty?
- Question 9. How do you rate the performance of administration?

Areas for Improvement:

- Question 12. How do you rate the Sports and Extracurricular activities in IIITB?
- Question 10. How do you rate Food facilities in IIITB?
- Question 11. How do you rate Bakery facilities in IIITB?

## Action Recommended

1. Continue the practice of getting high quality faculty with excellent credentials. Alumni seems to be valuing that a lot.

2. Start placement-oriented training programmes especially to improve “competitive programming” skills that are used during placements
3. Continue to invest in automating administrative interface of the students in order to be able to extend efficient support to the student community
4. Encourage student enrollment in sports activities by bringing in professional coaches for selected sports
5. Thoroughly review the catering arrangements and if needed initiate procedures for necessary changes in order to improve the overall satisfaction of student community.
