International Institute of Information Technology Bangalore

Employer Feedback Analysis
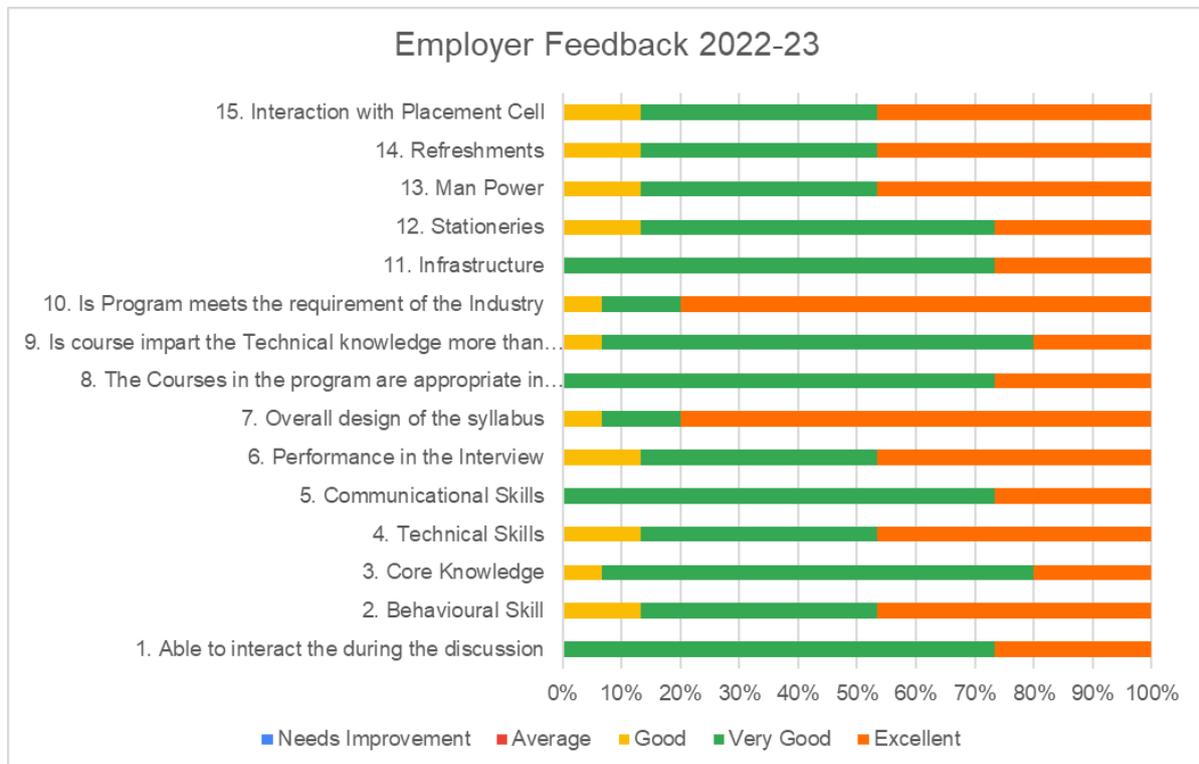

For the period 2022-23

Submitted to NAAC

Introduction

IIIT Bangalore provides one of the best placements to the student. Towards ensuring that the graduates we produce continue stay relevant for employers, listening to employer feedback is important. Feedback collected is across the entire placement experience of the employers when they visit the campus for placements. During 2022-23, a majority of the placement activities were conducted in-person mode as opposed to relying heavily on online mode during the earlier years after the pandemic. The feedback reflects the employers experience predominantly with on-campus recruitment process.

Analysis

The majority rating of the employers for IIIT-B's placement experience are EXCELLENT and VERY GOOD for all of the questions.

The questions for which high positive feedback was received are:

- The curriculum design has been appreciated for rich breadth of diversity combined with the presence of advanced courses to offer depth in the subjects
- Several practice-oriented courses have been introduced thus providing industry relevance to the courses making the students employable

Communication skills continues to be an area for improvement.

Action Recommended

1. Value added courses with dedicated faculty members to be introduced
